## Creative Art Workshops

November 18-19, at Casas de Suenos  
Historic Inn, Albuquerque, New Mexico

### Sand Gets Everywhere!

Join instructor Amy Flowers for a weekend retreat exploring new methods for creating exotic textures in mixed media! Working with acrylic mediums & everyday “add-ins”, create works on a variety of surfaces from paper to panels. Mix in fabric & metallic foils, natural elements, collage & more for elegant treatments to add to journals, paintings & more! I’ll have all the supplies for projects, but feel free to bring favorite supplies & an art journal for notes & play. Your \$195 workshop fee covers all supplies, lunches and snacks. Want to stay at the Inn for a total retreat experience? Book your casita at our workshop location, Casas de Suenos, near Old Town Albuquerque, New Mexico. Workshops begin at 9 AM on Saturday & wrap up by 3 PM on Sunday. Detailed info will be sent upon workshop registration.
